

## GENEROSITY INITIATIVE JULY-OCTOBER 2025

# HEY REDEEMER!

It's hard to believe we're nearing the end of the All In Initiative. When we began this journey together, none of us could have foreseen the path the Lord would have us on, both corporately as a church and in our individual lives. Many of those things have been joyful and celebratory and some of those things have required us to lean into the Lord for every step. Whatever the journey, He alone is steadfast and faithful to us.

*As for man, his days are like grass; he flourishes like a flower of the field; for the wind passes over it, and it is gone, and its place knows it no more. But the steadfast love of the Lord is from everlasting to everlasting on those who fear him, and his righteousness to children's children, to those who keep his covenant and remember to do his commandments. – Psalm 103:15-18*

The grace and strength you all have shown my family and me through this cancer journey—from the initial diagnosis to the treatment and now recovery—has been a tangible demonstration of God's love to us. Thank you for the countless ways you have loved and served us in this season.

Even in the midst of cancer, God has graciously continued to move mightily at Redeemer. I don't want to move past the opportunity to thank you for the ways that your giving has impacted the ministries God has given us to steward at Redeemer. This update tells a portion of the story of God using Redeemer to further His Kingdom in Lubbock and beyond.

While this two-year initiative comes to an end in March 2026, we believe God has more for us to do. I encourage you to finish strong and ask the Lord to continue to direct this journey for us. We want the impact of what the Lord chooses to do in and through Redeemer to be felt far beyond the culmination of All In.

Your giving matters. I'm full of hope for what the Lord will do through us as we cross the finish line.

**Grateful to be your pastor,**

## ORDINARY PEOPLE, EXTRAORDINARY MISSION

This summer, 68 members from Redeemer were part of eternal, life-changing work across South Asia. They shared boldly, strengthened local believers, and planted seeds of faith, even seeing someone from an unreached people group come to faith. Ordinary obedience is bringing extraordinary hope to places desperate for the gospel.

## EVERY STUDENT SENT

God is moving powerfully among the next generation at Redeemer. College Gathering attendance has been incredible, but the real celebration is the stories behind the numbers! Students who showed up just looking for friends are hearing the gospel for the first time and trusting Christ, boldly sharing the gospel on campus, and making disciples in dorms and dining halls. God is transforming lives, and we're seeing real salvation and real discipleship take root.

## LITTLE HEARTS, BIG GOSPEL

This fall, we launched The Gospel Project in Redeemer Kids, teaching them how all of Scripture points to Jesus. Leaders are praying with kids, teaching truth with joy, and partnering with families to make disciples with simple tools to continue throughout the week. Thank you for helping us deepen our discipleship of the next generation! We are praying that they would know His Word, understand His grace, and believe the gospel is good news for them.

## DISCIPLESHIP WHERE THEY LIVE, LEARN, AND BELONG

More than 100 middle and high school students from across our city are gathering each Wednesday to worship, study Scripture, and ask real questions about faith and identity. Leaders are walking closely with them, helping them learn what it looks like to follow Jesus at school, at home, and in everyday relationships. These students aren't just absorbing faith—they're owning it.

# A CHURCH THAT'S ALIVE AND GROWING

God is gathering people to Himself at Redeemer like never before. As we study Revelation on Sundays, the worship center has been full week after week, with overflow rooms often needed and Redeemer Kids is bursting with young families. But more important than full rooms is the reality behind those numbers: disciples are being formed, and that deep discipleship is flowing outward into wide reach. We long to see 1% of our city hearing, believing, and being shaped by the gospel—not just attending services, but following Jesus with their whole lives. And every seat filled is a reminder that God is already doing it.

Total Expected Gifts/Commitments

Your generosity is making a visible impact—families are being discipled and new believers are being baptized each week. What's still to come directly supports more people meeting Jesus, being formed by His Word, and being sent into His mission. God has brought us this far and He is inviting every one of us to joyfully finish the good work He started through us.
