

ALL IN

GENEROSITY INITIATIVE
NOVEMBER 2025-JANUARY 2026

HEY REDEEMER!

As we approach the final weeks of our All In journey, we want to pause and say thank you.

Two years ago, we invited our church into a season of prayer, faith, and generosity, because we believed God was inviting us into something deeper. From the very beginning, our conviction around All In was clear: God is calling our church to be marked by **deep discipleship and wide reach**, rooted in love for Jesus and one another, and sent out with the gospel.

We believed that before God does something *through* us, He often does something *in* us. And He has been faithful to do exactly that.

Over these two years, we have seen God deepen our love for Him and for one another. We have watched

faith mature, trust grow, and hearts become more fully surrendered to Jesus! We have seen generosity grow not just in what was given, but in how it was given: freely, prayerfully, and as an act of worship. Many of you made sacrificial commitments, not because the outcomes were guaranteed, but because Jesus is worthy. At the same time, God has been widening our reach. He has expanded our vision for what He can do through a church that is surrendered to Him, bringing new people into our community, strengthening our witness, and opening doors we could not have planned or predicted!

As All In officially culminates at the end of March, we are filled with gratitude, not only for what God has provided, but for who He is forming us to be. The heart behind our All In commitments was never about projects or milestones. It has always been about worship! About putting all our chips to the center of the table and saying, "*Jesus, You have all of us.*" That kind of faith glorifies God!

Now, we believe God is inviting us into what comes next.

In the video included with this letter, you'll hear more about an exciting step forward: we are breaking ground on our South Campus next month! We could not have imagined that we would be at this point when we began this journey together. It is a tangible reminder that God is still at work, and He is able to do far more abundantly than all we could ask or imagine.

This next step is not the end of the story; it is a continuation of the same work God has been doing in and through us all along! Deep discipleship is not a short-term project, and wide reach is not a finish line. They are rhythms God is going to continue to grow in us as we walk with Him.

As we enter these final weeks, I want to encourage you to **finish strong and stay engaged**. Not out of pressure or obligation, but out of worship and gratitude. Thank you for saying yes to this journey. Thank you for your generosity, your prayers, and your faith. Above all, thank you for being **All In** with Jesus because He alone is worthy of our worship.

Grateful for you,

Dasty
