

FOR THE CITY BABY STEPS

Thank you for your interest in living out your identity as a sent disciple of Jesus Christ in Lubbock by being a blessing to our city. We are called to make disciples of all nations, which means both those near to us and those around the world. Below are some of the practical ways you can begin to be the hands and feet of Jesus in our community. If you have any questions or would like further information, please contact madison@redeemerlubbock.org

Note: *if you get involved in any of these ministries, please let us know so we can track who is getting involved with serving the needs of our city.*
