DO FAR MORE

What would it look like for God to do far more? God invites us to ask Him to work within us, among us, and through us. When we pray, we declare our confidence in the goodness and power of God. So what are you asking the Lord to do? Will you commit to prioritizing persistent prayer this month?

Where do you sense a need for God to grow, provide for, or change you right now?

What are you praying God would do in your existing relationships, among friends and family?

What are you praying God would do in the lost and among the nations?

What do you want to pray that God would do through Redeemer?
