ATTRIBUTES OF *God*

These attributes of God are highlighted throughout the Psalms. As you see them in nature, take the opportunity to talk with your family about what you've read. Make a connection between the symbol and nature and how each one reminds you of who God is. **Example: When you find a cool rock, remember Psalm 62:2 that God is trustworthy to save.**

5 THINGS TO PRAY IN THE *Psalms*

+ REMIND OURSELVES OF GOD'S CONTROL

Are you in trouble? Just remember, God knows what you need even before you ask!

+ TRUST IN GOD

When life's troubles and disappointments come, it is okay to talk to God about them; God wants us to cry out to him.

+ LEARN TO REST

We can find rest as we trust God. Sometimes our troubles last for more than a day, but we can find rest at night when we rely on God through prayer.

+ POINT TO JESUS

In addition to the help through life's daily difficulties, the Psalms are rich with gospel references that point us to Jesus.

+ COMFORT OUR SOULS

What a comfort to learn we can rest because God is always on the job; he never rests or takes a break from watching over us.
