

SERMON ON THE MOUNT

The most famous sermon in the Bible - and the most famous sermon in the history of the world - is a sermon Jesus preached called the Sermon on the Mount. Just like Moses gave God's law from Mount Sinai, so Jesus gave a new kind of law from the top of a mountain in Galilee. It's about a lot of things: blessing, love, prayer, and shining the light of God's glory (those are all good). It's also about anger, pride, worry, and ignoring the wisdom of God's Word (those are all bad). And so people listened. Jesus was the center of the sermon. Just like he should be today.
